

APPLICATION FOR A VACATION SCHOLARSHIP IN MATHEMATICS January — February 2014

Please return the completed form by Friday 6 December 2013 to:-

Christine Hale E7A 217, Mathematics Dept Macquarie University NSW 2109

1. Are you enrolled at Macquarie University? □ YES □ NO If YES, please give your Student ID										
Degree being undertaken:										
In which Faculty:		Business and Economics		Science		Arts	🗆 Hum	an Sci	ences	6
2. Personal Details										

Title:	Gender:	
(eg Dr, Mr, Mrs, Miss, Ms)		
Family Name:		
First Given Name:		
Other Given Names:		

3. Contact Details

Contact Address			Phone Contacts			
No &				Email		
Street				Email.		
				Mobile:		
	Suburb	State	P/code	Home:		

Macquarie University students do not need to supply their exam results as we will have these.

The decision will be largely based on your exam results.

Students from other Universities must send an academic transcript of their results so far, as well as a reference from an academic staff member of their University (email to: paul.smith@mq.edu.au).

Students from other Universities will also need to supply a letter from their own University declaring that the student will be covered by that Universities Personal Accident Insurance. This need not be sent at the time of the application but must be received by us before the scholarship is taken up.

Please complete page 2 of this form - overleaf

We would like to know about your interests. Please complete the following.

This will not affect the success of your application but will provide us with a guide in allocating projects.

Please select (✓) only 5 in order of preference	1 st	2 nd	3 rd	4 th	5 th
Abstract Algebra					
Applied Mathematics					
Analysis					

Rank in order (1 to 5) which of the following areas you think you might like to work in:

Calculus			
Differential Equations			
Discrete Mathematics			
Geometry			
Linear Algebra			
Logic and Set Theory			
Mathematical Physics			
Number Theory			
Topology			
Other:			

Indicate how much computing you would like to be involved in your project:

1. Just a little

2. A fair amount

3. A lot

If you wish to add any other information that might assist us in making our scholarship award or project allocation, please do so in the space below.
